Första AP-fonden (AP1, the Fund) manages assets with a value of SEK 333 billion (as of December 31, 2017). AP1 is one of the buffer funds assigned by the Swedish Parliament (Riksdagen) to manage the Swedish people's pension funds. Combined with well-balanced financial risks our mission is to achieve the highest possible return on the Fund's invested assets and thereby contribute to a strong and predictable old-age pension for current and future pensioners. More information about our portfolio and how we have built up our management organisation to enable the fulfilment of the set goals is presented on our web-site: [www.ap1.se](http://www.ap1.se). The Fund's assets are managed both internally and externally. Management areas where the Fund does not possess or has difficulty in obtaining the right expertise are managed externally. Since the Fund is a governmental institution (central level) the tender procedure is regulated in the European Procurement legal framework, primarily in Directive 2014/24/EU. Furthermore, the Fund has a Sustainability policy that applies to the entire fund, including externally managed mandates. The complete policy document is available for download at [www.ap1.se](http://www.ap1.se).

The tender is open for the following strategies:

- Global Emerging Markets (Equity)

Active and Passive strategies will be evaluated as well as different investment styles (Fundamental, Quant etc.). Strategies solely investing in EM Small Cap or Frontier Markets are not part of this tender process and will not be evaluated.

The investment company must be able to document experience in management of institutional accounts for the specified mandate. The manager must be able to show a live GIPS compliant track record for the offered product of at least 12 full months at the time of submission. The manager must also reserve capacity in the submitted strategy of at least 300 million USD

In the evaluation process special attention will be paid to how the manager considers and integrates ESG factors in the investment process. Expressions of interest must be accompanied by information/documentation in respect of the following:

1. Registration with relevant regulatory authorities
2. Recent annual report (or similar document)
3. CV's for the CEO and the board members or equivalent for the relevant entity
